Data is compressed in its backed-up state, and only differential changes are transmitted after initial load. Reasonable rule-of-thumb is to hold a year's-worth of backups. Typical compression is 40% and a weekly delta is 5% of total stored.</p>	GB	Price/Month		50	£68		100	£72		150	£77		250	£86		500	£105		1000	£145

Please complete, sign and fax or email this form back to: +44 1202 755301 or [hosting@datacenta.net](mailto:hosting@datacenta.net) We will then issue you, by email, details of how to log in for your month's free use, together with an Order Form that reflects the options you have chosen. Prior the end of the period, if you wish to carry on using the service, simply sign off the Order Form and send it back to us. To discontinue use, don't send us the form, in which case you have had use of the service for a month with our compliments and with nothing to pay!

Any problems: call us, we are here to help.
